TIPS

- **LIMIT FREEDOM WHILE TRAINING:**
  - Use leash, boundaries...
- **TRAIN MORE FREQUENT WITH FOOD SCHEDULES:**
  - Recreate biological behaviour
- **A WORKING DOG NEEDS TO LIVE BASIC.**
  - No overweight
  - No free food
- **WITHHOLDING REWARDS IS ONLY USEFUL WHEN YOU HAVE THE DOG'S INTEREST.**
- **RELEASE DOG AFTER (ANY) REWARD.**
- **A COMMAND CAN ONLY BE RELEASED AFTER THE REWARD, A NEW COMMAND OR MARKER.**
- **BUILD FOUNDATION BY USING A CLICKER (NEUTRAL SIGNAL) WHICH HELPS YOU:**
  - Cover distance
  - Gives you time to access the real reward (not visible)
  - Pinpoint precise behavior
- **REPETITION IS STRENGTH.**
  - Put in your daily work
  - Keep form clean
  - Switch between direct en indirect rewarding every day
- **NEVER GIVE UP!**
  - The work is the gift
  - You will see results the day you put your heart in it
  - Vague goals promote vague results
